The following is an agreement with the Ross Soil & Water Conservation District for use of a no-till drill. Rate for all types of seedings is **\$12.00 per acre. Minimum charge is \$100.00. Tractor with adequate HP required.** The renter agrees to use the drill with a tractor of adequate horsepower and stopping power for terrain (**55+ HP**). Mileage charges may apply to deliveries outside of Ross County at the current IRS standard mileage rate. Rental is subject to sales tax unless renter claims exemption. Invoices not paid within 30 days may incur a 1.5% interest charge on monthly billings. Renter agrees to operate equipment according to SWCD staff instructions at time of delivery. Renter agrees to immediately report any damage or malfunctions, agrees to only transport equipment with permission, agrees to finish in a reasonable time, and to notify staff to pick up and verify acres.

I, the undersigned, agree to hold harmless, Ross Soil and Water Conservation District and Ross County, its agents and employees from any injury or death to persons, or damage caused to property during the use or possession of rental equipment, including death or injury to myself or damage to my property. I will assume full liability and responsibility for damages, to, or caused by equipment while in my possession.
