The following agreement is with the Ross Soil & Water Conservation District for use of a no-till drill. The rate for all types of seedings is **\$9.00 per acre. Minimum charge is \$100.00. Tractor with adequate HP required.** Mileage charges may apply to deliveries outside of Ross County. Rental is subject to sales tax unless renter claims exemption. Invoices not paid within 30 days may incur a 1.5% interest charge on monthly billings.

I hereby agree to hold harmless, Ross Soil & Water Conservation District and Ross County, its agents and employees from any injury or death to persons, or damage caused to property during the use or possession of the rental equipment, including death or injury to myself or damage to my property. I assume full liability and responsibility for damages, to, or caused by the equipment while it is in my possession. ~~I further agree to lubricate the equipment before using and to seed immediately, weather permitting.~~ The renter agrees to use the drill with a tractor with adequate horsepower and stopping power for terrain (65+ HP). The drill will be delivered to the farm and set up by a Ross SWCD technician unless other transportation is pre-arranged by the renter and the district. The renter shall not allow another person to take the drill to another location unless previously arranged.
