Summer Camp and College Scholarship Opportunities

Camp Canopy

The 2022 Camp Canopy is scheduled for June 12-17, 2022 at FFA Camp Muskingum near Carrollton, Ohio.

This co-ed residential camp is open to students entering their freshman year through seniors graduating in 2022. This is a wonderful opportunity for students to learn about Ohio's forests, wildlife, conservation, tree identification, ecology and much more.

Enclosed with this letter are brochures and posters advertising the camp. Please display the poster in a prominent location, where interested students will see it. Please distribute the brochures to any of your staff members whose students might be interested, such as science teachers, conservation club advisers, FFA advisors, Vo-Ag instructors or interested students or parents. Additional brochures are available by calling OFA at 888-388-7337. There are a limited amount of camp sponsorships available for students that might not be able to afford camp.

Please refer interested students to www.campcanopy.com or 888-388-7337.

College scholarships will be awarded to top scorers on the final exam at camp. Scholarships have historically been offered by Ohio State, Ohio University, Hocking College, Zane State and The Ohio Forestry Association Foundation (for school of winners choice). Scholarship winners must be pursuing an education in the natural resources field.
